Belin Jeunesse

The First Woman Film-maker.
The Diary of Alice Guy

by Sandrine Beau & Aline Bureau

The incredible story of the woman who invented cinema.

In 1894, Alice Guy was secretary to Mr Gaumont at the French Photographic Agency. After seeing films made by the Lumière Brothers, she knew there was only one thing she wanted to do: tell stories through film. This book tells her own story – from her first film to founding her own production studio in the USA – and shows how this often neglected figure was an exceptional creative force.

This is the third title in the beautifully-illustrated "Extraordinary Lives" series, which recounts the lives of courageous, inspirational people in the first person.

Maintenant que j'ai l'assurance de ne jamais être dépendante d'un mari, je vas pouvoir décider de ma vie et la mener comme je l'entends. En femme libre ! C'est pour fêter ce grand événement que j'ai décidé de tout te raconter.

Bon, il faut déjà que je te dise qu'il y a quelques mois, je m'étais inscrite à des cours de sténodactylo. Et sur la recommandation d'un de mes professeurs, je me suis présentée pour un poste de secrétaire au Comptoir général de la photographie. Rien que le nom me faisait rêver : la photographie est une invention tellement incroyable ! Voilà comment s'est passé mon entretien d'embauche : quand je suis entrée dans le bureau de monsieur Gaumont, il m'a détaillée de la tête aux pieds, et m'a dit : « Votre recommandation est excellente, Mademoiselle. Mais la place est...

How I Can Concentrate Better

by Barbara Arroyo

100 activities to give children more brain power and learn how to concentrate better.

Both teachers and parents have noticed that children today have real problems concentrating in class and at home. This book presents a method for learning how to concentrate better, in three stages:

1. What science has to tell us about understanding the workings of one's brain and one's body.
2. Varied activities to do alone or at home.
3. Tests and practical advice.

This is an exhaustive work dealing with the many different facets of concentration: control of one's body and emotions, attention span, the ability to organise oneself, memorisation...

As they progress through the book, children will find out about their brains and how to increase their brain power by means of various activities. By doing daily exercises, they will be able to learn more easily without any trouble.

Happy At The Club! Crac's advice on how to treat a horse

Sylvie Overnoy, Florence

Ollivet-Courtois, Frédéric Chesneau

& Guillaume Henry

A little bay horse was grazing quietly under the old apple tree when suddenly some riders came to take him away... After a long trip in a horsebox, Crac was to become a Club horse. Why do the riders change all the time? Why is there someone bouncing around on his back?

It's not only riders who are beginners. In this book, we see life in an equestrian centre through the eyes of a new horse. It is full of surprises and lessons to be learned – but also abounds with vitality and love.

Things are changing at the Club! There are new riders, some workmen, new grooms to replace the old ones... There is also Sputnik, a Jack Russell terrier who helps Muffin the labrador give a helping hand to the workmen. But, above all... Fanfaronne has disappeared! In the meantime, Tintagel the little stallion spends his life braying "I am the King!", Mystère, the former circus horse rediscovers his talents, Tic-Tac the mare arrives in a spectacular way, old Magician gets tired of being retired, and Crac the big-hearted bay learns more and more. It's one surprise after another!

The return of Crac! Crac, the bay whose best-selling two-volume diary (Welcome to the Club and Surprises at the Club) is back with Happy at the Club – 101 ways to make a horse happy. This is a handbook for all riders who want their horses to be in good mental and physical health.
